HOUZ DEPOT, THE LARGEST ONE-STOP HOME IMPROVEMENT WHOLESALE HYPERSTORE

Helping you save more to create your dream home

Creative Home is collaborating with Houz Depot to give away 3 units of Sunhom Professional Grill BBQ gas grill ER-8203 worth RM788.00 each for the lucky readers!

Houz Depot commenced its business in May 2009, with floor area approximately 120,000 square feet (equivalent to about 100 standard shop lots) providing the biggest product variety with lowest prices guaranteed. They carry many exclusive products, one of them being Sunhom Professional Grill BBQ gas grills.

The Professional Grill series of Sunhom are produced through meticulous development and inspection. These quality-assured gas grills consist of 6 interesting models, ER-8203 being one of the favourite models that embody simplicity and practicality. This two-burner gas grill facilitates the optional use of lava rocks and is so user-friendly. It functions with a piezo igniter, 2 control knobs, a chrome plated warming rack and cooking grid, which makes heating and cooking within your control. It is built in a detachable form, where the grill can be separated from the two-wheeled stand, so you can choose your grilling spot conveniently. With the foldable side tables, bottom tray and hanger bars, you can organise your cookware well enough to avoid the cooking chaos.

Enjoy the virtual fun of barbeque with this Professional Grill series! They are simply perfect for outdoor activities in your garden, on the open-air balcony or at the poolside.
